

**SOMETHING OLD! SOMETHING NEW! SOMETHING BORROWED!  
SOMETHING BLUE?**

No we are not talking about a bride but about everything organised by Myshall Muintir Na Tíre for this **Saturday night in Roberts Lounge**. The DVDs of the 1986 matches provide a view of something old; the launch of the website and the awards for the Garden competition are definitely new and in order to provide all the information that is on the website we had to borrow a significant amount of articles and photographs and as for something blue – well we are all feeling that way with the recent bad weather and the recession but after a night's entertainment like we have to offer we hope your mood will change! We expect events to kick off at about 8 p.m. with the DVDs. Already the website has caught the attention of the living section of the *'Sunday Times'* and a photographer was sent down to Myshall during the week to take some of what they described 'exciting photos' of the village. With a start like that we have to be going in the right direction! **The next meeting of Myshall Muintir Na Tíre will take place on Wednesday September 16<sup>th</sup> at 8.30 p.m. in the Community Centre**

**Myshall ICA** Guild meetings resume after the summer break. The Guild was successful at Tullow Show coming 1st in the ICA Competition. Congratulations to the members who took part. Meeting in the Community Centre at 8 pm on Tuesday September 8th. New members very welcome

Illness and deformity can make us afraid for ourselves, fearful about the meaning of life. With the coming of Christ on earth there came the presence and power of God to begin the work of healing the world. This new creation is still being built up today in the lives of those who believe.
