Chernobyl Children's Project = Host Families needed for 2010

It's the time of year again, when we seek host families for our Summer Holiday Project which offers children from Belarus the opportunity of a holiday away from the debilitating environment in which they live, caused by the Chernobyl Disaster in 1986. when a massive explosion at the Nuclear Power Plant in the Ukraine, releasing 190 tones of radioactive materials into their environment, still causing long term effects to this present day. The children who come to Ireland for a holiday have been hostage to the hazardous aftermath of radiation, but their months holiday here, eating our good food and breathing our clean air can drop their radiation levels between 30-50% .To be a host family means taking two children into your home for either two or four weeks, or be a stand by family or maybe just to lend a helping hand

For further information contact Patsy 059 9773107 or Estelle 059 9721939.

A special word of thanks to the Roberts Family and to the 'Switch' who provided the music on the night. The winners of the local Pride of Place competition were announced on the night as follows: **Best Container:** 1st Bill Stacey, Former Garda Station House; 2nd: Sean & Tina Scallan, 15 Mt. View, 3rd: Bill & Ann Roberts 13 St. Oliver's Park. **Front Garden Competition:** 1st: Philippa Bayliss, 7 The Meadows, 2nd: Ken Hand 37 Mountain View, 3rd: Heidi Bowes, 2 St. Oliver's Crescent. **The myshalldrumpea.com** website was launched on the same night which by September 8th had been visited 2,315 times! We are anxious to keep the site updated but to do this we need the help of all the club P.R.O.'s to email any information to info@myshalldrumpea.com Finally Muintir received the results of the 2009 Tidy Towns competition recently which saw an increase of three marks on last year giving an overall total of 274. A three year Tidy Town plan is required for the village and of course the old problem of litter raised its head at the recycling centre and the pond but overall the report was very positive.
