### The Myshall Parent Teacher Association

Last year Myshall N.S. had to borrow 25.000 euros to do alot of necessary repairs and jobs to keep the school up and running. The school got a big make-over. New windows, new blinds, ramps, outside painted, surrounding walls painted and outside all drained and tarmacked.

The result of extra cabaret's, bag packing, the school auction and continuous support from all our local businesses plus a lot of hard work from our parents and teachers is the loan is **ALL PAID OFF**.

The PTA would like to thank the board of management for their help in clearing the loan. Also a big thank you to our local-man Charlie Murphy who got 1.000 euros from Carlow County Council for our school.

It's a great feeling to start the new year with a clean slate and our children and our teachers enjoy their new surroundings. **MANY THANKS TO EVERYONE.**

He who seeks wisdom and eternal life, is reminded, that no earthly value can be compared to them. We may agree that all gold is but a little sand before the realities of God, but are we able to follow through this image with the reality of our living? Are we really ready, to sell whatever we have and give it to the poor, so as to follow Christ?
