The kingship of Christ, is not to be seen in terms of any kind of political control or domination. It is not of this world. His rule comes from obedience to the Father and total service of people, unto death. It is the power of God over death and evil, promised to all who commit themselves in faith to him.

Tops of the Parish.

At a second meeting in the Naomh Eoin Club house attended by a station area representative, further progress was made on the reviving of the Tops of the Parish, The meeting put forward the following ideas, that each group from the different station areas would put on a show of their choice, to last between 50 and no longer than sixty minutes. The show would consist of groups and individuals music song dance drama and entertainment to flow for the duration of their show, there is no age limit and a balance is preferred. Participants taking part must take part and stay with the station areas they reside in.

Lismaconly Cemetary;

With Christmas approaching a general clean up of the cemetery is envisaged, a number of graves need cleaning, and there are a lot of weathered wreaths, that need to be taken away, so your help and co operation would be greatly appreciated, Also a number of old graves are in a dangerous position with the clay underneath gone away from the surface, which means if any one walked on the shell it could collapse causing injury. If any one wants a grave repaired contact 087 6256028.
